I RIDE FOR MICAH

DONATE NOW

I'm excited to be participating in my 2nd Police Unity Tour Challenge Ride. Last year I rode in honor of Trooper Jaimie L. Jursevics, EOW 11/15/15. This year I have the privilege and honor to ride for El Paso County Deputy Micah Flick, EOW 2/5/18.

Micah Flick, a member of an auto theft task force was trying to make an arrest last year when the suspect opened fire. Micah was hit by gunfire and lost his life. Due to my recent position as the Auto Theft-VIN Inspector for the Colorado State Patrol, I felt it was my duty to bring awareness to the dangers of Auto Theft and to memorialize the life of Micah and his ultimate sacrifice.

Our motto is: "We Ride for Those Who Died" and we raise awareness about America's fallen officers.

Today in the United States, some 900,000 law enforcement officers put their lives on the line for the safety and protection of others. But that protection comes at a very high price. On average, 146 officers are killed in the line of duty each year

The National Law Enforcement Officers Memorial honors America's fallen law enforcement heroes who have died in the line of duty. Their mission is to tell the story of America's law enforcement officers and make it safer for those who serve.

My participation in the Tour helps sponsor the Memorial, the Museum, and its programs like the Officer of the Month Award, Recently Fallen Alert notifications and other special projects. With every dollar that I raise for the Tour, I'm doing my part to honor our nation's law enforcement officers. Please help by supporting my fundraising efforts with a donation!
